

I am reserving a place at Beth Israel Preschool for my child \_\_\_\_\_, for the session beginning August 2012 and ending May 2013. I understand that the total amount paid to hold my child's position is **nonrefundable** and is **non-applicable** to other services rendered at Beth Israel Preschool **for any reason.** I understand that if I withdraw my child after July 2, 2012, *for whatever reason*, I will owe the Beth Israel Preschool fees for an additional month.
