Enrollment for Extended Care is for the entire ten-month school session. If a child must be withdrawn from Extended Care, you are required to give the school two (2) months' notice in writing. Our morning preschool program requires a four (4) months' notice of withdrawal in writing. Failure to give proper notice of withdrawal from either program will result in your being required to pay for the time that your child was not in attendance (either two or four months, depending on the program).

Tuition and fees are payable for each of the ten school months whether your child is present or absent, or whether the month is less than four weeks. Extended Care children arriving before 8:05 a.m. must be escorted into the building.

For a child to be eligible to participate in Extended Care, he/she must be pre-registered and paid-in-full for the school session beginning mid-August 2017. If you desire a place for your child, please complete the form below and send it with your non-refundable fee for August/ September's Extended Care. The first fifty children to register will be guaranteed a place. If you are registering more than one child, you may pay for the second child by March 30, 2017.
